Hi Belinda

Gathering the real value of Diversity & Inclusion (D&I) can be challenging.

- How do we truly have real dialogue?
 - What kind of environment do we have to create?
 - What understanding, beliefs and behaviors have to exist?
 - What causes us to connect or disconnect with others?

The true value of D&I is true dialogue.

Join industry experts Doug Harris, CEO of The Kaleidoscope Group, and Orlando Bishop, D&I Consultant, for this critical [webinar](#).

We will dig deep into vital topics including:

- assessing the impact that self-preservation and cultural conditioning have on honestly sharing with others
- understanding how to assess our own lens on how we view the world
- respecting the lens of others
- getting in touch with the many ways people identify and define who we really are
- meeting diverse team members at a place that leads to a real exchange
